troupes recommended in Board's and Registrar's references items (3) to (6), (8) to (20) and (23) read above, from the amount sanctioned in para 1 above. The subsidies should be ~~disbursed~~ distributed in an equitable manner among all the districts.

4. The Government consider that these subsidies should gradually be reduced from 1949-50 onwards in the case of the 16 old Prohibition districts, if they cannot be discontinued altogether from that year as the drink addicts in those districts may be expected to have acquired new habits by them. A similar policy of progressive reduction of expenditure on this score should also be followed in the case of the districts which went dry on 2nd October 1948. The Registrar of Co-operative Societies is requested to bear this in mind when submitting proposals for 1949-50.

5. The expenditure incurred from 15th October 1948 should be debited to "42. Co-operation". The Registrar of Co-operative Societies is requested to take steps to provide the necessary funds. The Accountant General is requested to admit the expenditure in audit pending provision of funds. The unspent balance out of Rs.16,000/- provided for in the budget for 1948-49 under "25. General Administration" should be surrendered.

BY ORDER OF HIS EXCELLENCY THE GOVERNOR

V.K. Rao,
Deputy Secretary to Government.

To the Registrar of Co-operative Societies.
To the Board of Revenue (Excise), Madras.
To the Accountant General, through Finance.
